

Exhibition at ICHE 2016

1. Purpose:

Exhibitors are cordially invited to join us in Tainan, Taiwan for ICHE 2016. This conference will bring together over 300 researchers, scientists, engineers, and students from around the world to review the latest issues and studies utilizing monitoring technologies for observations of the Advanced Technology of Hydrometry, Coastal Protection and Engineering, Eco-Engineering and Restoration, Impact of Climate Change and Adaptation, Integrated Water Resources Management, Surface and Groundwater Hydrology, and Water Distribution System and Rehabilitation. Join companies, government agencies, educational institutions, research facilities, scientific societies, and others exhibiting the latest in monitoring instruments, software and scientific programs at the ICHE conference. Exhibiting and sponsoring specific events at ICHE 2016 will have excellent opportunities to network with delegates to improve their knowledge and understanding of your products and services in an environment conducive to listening and learning that in terms of increase your market exposure.
